

THE POLITICAL OUTLOOK.

THE SOUTH AND MR. GREELEY.
PROSPECTS OF THE LIBERAL TICKET—THE BEST
NOMINATION POSSIBLE—ENTHUSIASM OF THE
SOUTHERN PEOPLE—POLLY OF A DEMO-
CRATIC TICKET.

RICHMOND, Va., May 16.—I confess I am very much surprised to find that the nomination of Horace Greeley is received at the South with so much enthusiasm. I was prepared for something like a cold reception, but the fact is that the South is not only not opposed to him, but is in favor of him. I have been told that the Southern people are in favor of him, and that the Democratic party is in favor of him. I have been told that the Southern people are in favor of him, and that the Democratic party is in favor of him. I have been told that the Southern people are in favor of him, and that the Democratic party is in favor of him.

It is not surprising that the Southern people are in favor of him, for he is a man of high character and high ability. He is a man who has been in the public service for many years, and who has been known to all the people of the country. He is a man who has been in the public service for many years, and who has been known to all the people of the country. He is a man who has been in the public service for many years, and who has been known to all the people of the country.

SIGNS OF THE TIMES.

The regular New-York correspondent of the Boston Herald (Dem.), writing upon the political outlook, discusses at length the prospects of the Liberal ticket, and closes his letter as follows:

All things considered, it seems but one way of putting the matter, and that is, that the Liberal ticket is the only one that can be put forward. It is the only one that can be put forward. It is the only one that can be put forward. It is the only one that can be put forward.

THE CINCINNATI BOLTERS—THEIR INDIC-
TMENT AGAINST GRANT.

Never in the history of American politics has there been from either one of the great parties so formidable a secession as this which has occurred from the Cincinnati ticket. It is a secession which has occurred from the Cincinnati ticket. It is a secession which has occurred from the Cincinnati ticket. It is a secession which has occurred from the Cincinnati ticket.

CALIFORNIA FOR GREELEY AND BROWN.

The following letter has been received by an Eastern member of the National Liberal Republican Committee from a prominent Californian:

DEAR SIR: The nomination of Horace Greeley and Gratz Brown is received in our city with great enthusiasm. It is met with the approval of the independent press; it is entirely acceptable to the Southern Democratic party, and is generally accepted by what we term the Northern wing of the Democratic party. As for the old honest, non-office-holding, and non-offensive Republicans, they are overwhelmed with satisfaction. Owing to the peculiar combination of political elements in this State, Mr. Greeley is the strongest candidate for the Presidency. He is the strongest candidate for the Presidency. He is the strongest candidate for the Presidency.

of men who will embarrass the canvass by no begging of money, and the Administration, when elected, by no need of a large sum of money. With us of the Liberal Republican party, we are in favor of him. We are in favor of him. We are in favor of him.

A HEARTY ENDORSEMENT FROM GOV. PALMER.

At a Greeley ratification meeting in Bloomington, Illinois, last Saturday evening, the following emphatic letter from Gov. Palmer was received:

STATE OF ILLINOIS, EXECUTIVE DEPARTMENT.
SIR: It is my duty to notify you of my acceptance of your invitation to attend the meeting of the National Liberal Republican Convention, to be held at Cincinnati, Ohio, on the 10th of June next.

PROSPECTS OF THE LIBERAL TICKET IN MASSACHUSETTS.

The regular Boston correspondent of The Hartford Courant (Adm.), discussing the political situation in Massachusetts, writes as follows concerning the prospects of the Liberal ticket:

Horace Greeley's nomination took us as much by surprise as it did anybody else. It was a surprise to us, for we had not expected it. It was a surprise to us, for we had not expected it. It was a surprise to us, for we had not expected it. It was a surprise to us, for we had not expected it.

A DODGE ABOUT AMNESTY.

From The N. Y. Evening Post (Anti-Greeley).

The resolution of the Republican Convention of this State in relation to amnesty is unattractive. It asserts that the cry for amnesty is intended to deceive the people. It asserts that the cry for amnesty is intended to deceive the people. It asserts that the cry for amnesty is intended to deceive the people.
